

**Subject Line:** You've got a newly expanded family benefit!

**Email:**

**We have great news! Your Maven benefit now includes access to Maven's services until your baby's 1st birthday.**

At Standard Motor Products, we want to support every path to parenthood, every step of the way. That's why we offer 24/7 access to women's and family health providers on Maven at no cost to you throughout your pregnancy, adoption, surrogacy, and return-to-work journey—including free breast milk shipping.

**[Sign up today](#) for free access to these Maven benefits:**

**Unlimited virtual appointments**

Video chat or message with OB-GYNs, adoption and surrogacy coaches, lactation consultants, pediatricians, and more—anytime you need to, from wherever you are.

**Dedicated Care Advocate**

Need help along the way?  Your personal Maven Care Advocate can answer questions about your benefits, help you get reimbursed, and recommend the best providers on Maven as well as in-person, in-network doctors.
