

Expecting or planning a family?

Standard Motor has partnered with Maven to provide around-the-clock support at every stage of your journey. Sign up today to meet your personal guide through preconception, egg freezing, fertility, pregnancy, postpartum, returning to work and pediatrics through age 10. Plus, when traveling for work, send your breast milk home to baby or carry it with you easily and safely with free breast milk shipping through Maven Milk.

Maven is available at no cost to employees and partners who are pursuing fertility treatment, pregnant or up to 12 months postpartum.

Sign up for access to these free services:

- ✓ **Unlimited access** to over 20 specialties of women's and family health providers through video chat and messaging
- ✓ **Dedicated Care Advocate** who can help you find care, navigate your benefits, and understand your health bills
- ✓ **Personal referrals** to high-quality fertility clinics, plus exclusive treatment discounts
- ✓ **Expert resources** including working parent guides, Real Talks on fertility, and community forums
- ✓ **Easy-to-use travel kits** for domestic or international travel plus trip planning and pumping tips
